EASTERN ELEVEN IS **OUTLUCKED BY TECH**

Capitol Hill Team Outplays Manual Trainers, but Lose, 7 to 6.

By JACK EASTER.

Captain of Technical High Eleven. If I was Capt. Cummings I could easily scribe my masterpiece, but being pilot of a lucky combination, I find it more than hard to offer any alibit for the Manual Train-

ers, and even with the pleasure that goes with this slight victory, I gladly offer my hand to Capt. Cum-mings and his Eastern High School eleven. and more than glad that we have them out of the way.

Outplayed at every angle of the game by our much lighter

ponents from Captito Hill, we managed by this 7 to 6 victory, but the laurels of a winner do not stand out prominently in this victory, because of the remarkable per-

formance put up by this plucky little at Exeter. Blue and White team.

The Manual Trainers entered the fray over-confident, believing that Eastern would be easy pickings, but before three Richmond.

Purdue vs. University of Illinois, at Lagrange vs. Unive minutes had been played our mistake was realized and from the first whistle Spring to the final call of time we were played off our feet by our fighting little opboken.

The fighting spirit was sadly lacking in the make-up of the Technical eleven, and unless an improvement is shown, not much can be expected of us as contenders. It was just the butter-fingers of Full Back Sweeney, of Eastern, and the abil-ity of our line to hold in the shadow of the goal post that saved us from the disgrace of defeat while we were lucky that we were not tied, when Speers' punt went wild. Sweeney fumbled on the 5-yard line after the Capitol Hill team GAME WITH

had made a sure march toward our goal

the ball from the center of the field to the 3-yard line, where Quarter Back Thomas attempted to plug our line on close formations, but the Manual Trainers held and Myers booted out of danger. Leo Flagherty had me constantly feeling

was good, and with a little more accuracy we would have been a beaten team. During the game Eastern registered fourteen first downs, while we gathered but six first downs. I won the toss and Technical received. Our first attempts at yesterday in preparation for the Albright the Eastern line was fruitless, but Snyder game today. The team is in first-class double pass. Capt. Cummings set us back when he tackled Snyder for a 14-yard loss. We failed to make the distance on line plays and Eastern got the ball.

Speer and Sweeney made 8 yards off tackle, and Quarter Back Thomas broke through the center of our line for a 46-yard run, putting the ball 4 yards from Thomas failed on his first attempt at the center of our line, but on his next buck he went over for the touchdown. Speer then punted out, but his boot went wild. It was this wild boot that gave us

the margin of one point.

Myers brought the kick-off back for 15 yards and Snyder got away for 29 yards. Myers, Snyder and Guervich then made another first down, and Eastern was benalized inside of the 10-yard line for holding. Snyder hit off tackle for our touchdown and Myers kicked goal, Easterns' hard luck of not grabbing the ame out of the fire has been stated bove, and, believe me, I think we were

pretty lucky for scoring this victory. Clark and Bosley played a brilliant defensive game for Technical, while the en-tire Eastern team played a noteworthy game, and credit must be given every layer that went into their line-up. Th
